Help Fight Childhood Hunger

In Houston, 1 in 4 children often go without meals because their families cannot afford to buy food. A simple way you can help is to prepare meals at Houston Food Bank. Last year, MDPC volunteer teams prepared tens of 1,000s of meals that were distributed to after-school programs throughout Harris County. Thank you! Now, we need your help to keep the fight against childhood hunger moving forward! Will you please join us? **Next date: Tomorrow! 8:00 AM-Noon**

HUMAN SEXUALITY

MARRIAGE, FIDELITY, & SEXUAL SIN

SPEAKER DR. HARRY SCHAUMBURG
Wednesday, February 13 • 7:00 PM • MDPC

Harry Schaumburg is a speaker, author, and counselor specializing in the area of sexual sin in the church. He is the director of Stone Gate Resources and the author of *False Intimacy: Understanding the Struggle of Sexual Addiction* and *Undefined: Redemption from Sexual Sin, Restoration for Broken Relationships*.

MDPC welcomes Dr. Schaumburg as part of our Justice Initiative, undertaken as part of the fight to end human trafficking. Gaining an understanding of what fuels demand for sex-for-purchase and pornography can help decrease it, thus decreasing supply.

This is the fourth in our series on Joseph from Genesis 37-50. You'd think that God would have saved Joseph since he had been faithful in Potiphar's house regarding not giving up and also avoiding the temptations of Potiphar's wife. But Potiphar's wife lies about Joseph, and Potiphar has him thrown into prison...

THIS IS US

The Story of Joseph's Family...and Ours

Disappointment & Despair

Genesis 39:19-23; 40:1-8 (NRSV)
Alf Halvorson preaching

1. Have you ever been lied about and found yourself in some pit because of that betrayal? Share with your group. Have bad breaks ever come in waves, and you wondered if you'd ever get out of the mess you found yourself in at that time? Explain.
2. Read Gen. 39:13-23. What did Potiphar's wife do when Joseph ran? What groups did she tell? What did Potiphar do? As a slave, Potiphar could have had Joseph killed. Why do you think he had Joseph put into prison? Was it because he did believe his wife or because he didn't believe his wife?
3. Where is God in these initial verses (21-23)? What are the various "ways" that God is with Joseph here? Which of the ways do you think was most important to Joseph? Which would be most important to you?
4. Read Gen. 40:1-8. What does Joseph do for the cupbearer and the baker of the King (Pharaoh)? Separate out the various actions of Joseph: verse 4, verse 6, verse 7, verse 8. Is there a progression? Which is most significant and why? Or are all equally important?
5. I mentioned in weeks one and two of this series that, if you wore "the robe" in your family, one of the ways you could grow is to practice serving others. How does Joseph learn to live without the robe here? If you were the cupbearer or the baker, how do you think you would have reacted to Joseph's attention, empathy, and aid?
6. Servanthood is often a learned discipline—we would rather be served than serve. But Jesus taught the disciples in Matt. 20:20-28 that servanthood was not optional, but rather a necessary part of following Jesus. What is the example Jesus invites us to follow (vs. 28)?
7. Who has God placed in your family or neighborhood or workplace or orbit with whom you could practice care and compassion because of Joseph's and Christ's example?
