On Tuesday, June 19th, Bellaire Nature Center is coming to Yellow School! Our "little" ones will learn about bunnies and Pre-K and Kindergarten will learn all about insects. It will be so fun!

Kindergarten

We are planning to have a fun summer! We will review our skills from the year with a fun "workbook"! We are partnering the children on various projects and parents should look for pictures coming by email of our adventures! The children have had so much fun making Father's Day gifts and getting to know our new friends!

Pre-K News

We are already having so much fun! We are talking about ocean creatures (right now – we are reading about the octopus and making fun crafts). We have had fun this week talking about Dad and making a gift for him for Father's Day!

We are also reviewing our skills from the school year so that we keep them fresh for next year!

SUMMER 2018

Three Year Old Classes

What a fun-filled summer we will have! We are getting ready for Pre-K as we continue to work on our skills (and have fun doing it!).

We are making new friends and enjoying summer events (Water Day is always a big hit!).

Mostly, though, we are having fun and making fun crafts and art projects!
